

## Exploring the US Dakota War

Choose one section from the [www.usdakotawar.org](http://www.usdakotawar.org) website other than “Home.”

Section \_\_\_\_\_

What people does your section cover (specific tribes, settlers, historical players)?

What is the major action covered in your section?

Compare and contrast the information presented in your section with the information of the text: which one does a better job of explaining the conflict and why?

What questions (3) do you have about the conflict after viewing your section?

What would you do differently if you created this history website (history or web design)?
